Prices of equipments used by the farmers

2732. SHRI SHARAD YADAV: Will the Minister of AGRICULTURE be pleased to state:

(a) the names of various equipments used by the farmers what have been the prices of these equipments during the last five years and what are their present prices; and

(b) what has been the per quintal increase in prices of wheat fixed by the Government during the last five years and what is price per quintal at present?

THE MINISTER OF STATE IN THE DEPARTMENT OF AGRICULTURE AND COOPERATION IN THE MINISTRY OF AGRICULTURE (SHRI SHYAM LAL YADAV): (a) The equipments used by farmers are hand tools, bullock drawn implements, tractor drawn implements, tractors, power tillers, combine harvesters etc. A large number of manufacturers in small scale sector, organised sector are engaged in the manufacture of agricultural implements, tractors, power tillers, combine harvesters etc. There is no price control on sale of these items. The prices of agricultural machinery depend upon their capabilities, technical specification, horse power etc. In view of the large number of agricultural machinery and equipments, there is no regular system in Government of India of collecting price details.
